

Horses with Hearts is a non-profit 501(c)3 whose motto is to "Create a Smile, Grow Confidence, and Change a Life" by providing equine assisted services for individuals with any type of special need (mental, physical, or emotional.)

Some of our participants have been told they would never walk, some don't laugh, and through this program they were able to walk and laugh. Lives are transformed through the heart of the horse.

We operate on a part-time and seasonal basis. We are raising funds so that we can expand this vital program with the goal of operating 7 days a week year round, giving us the opportunity to change more lives.

We hope you will join us.
